## Online Chemistry Tutor

### Description

## Online Chemistry Tutor

Q1. Are you interested in working as a **Home-Based Online Chemistry Tutor**?

Q2. Are you a **Qualified Teacher**?

Q3. Can you teach up to **A-level in chemistry**?

Q4. Do you have specific experience of **working in a school** teaching chemistry?

A. If you can answer **yes** to all of the above, then read on as we need to hear from you today...

Principal Tutors is a multi-award winning tutoring business arranging online one to one tuition for pupils throughout the UK and internationally.

We are looking for **qualified chemistry teachers** with an interest in working part-time flexible hours as online **chemistry** tutors.

You must be able to teach up to A Level in chemistry **and have experience doing so in UK (or International British) schools.**

*Tutors that can also teach GCSE science and/or A-level maths should also apply.*

DBS required in most cases, although we can assist if needed.

Immediate start for the right person.

### Responsibilities

Tutors deliver personalised and high quality **one to one chemistry** tuition online. Tutors have full autonomy on how to deliver the subject content and how to best support the pupils in their case load.

### Qualifications

- University Bachelor's degree required as a minimum
- Teaching qualification such as PGCE, QTS or equivalent

### Job Benefits

Home-based online tutoring. Part-time, flexible and on-going working hours. Set your own hours and be in control of your own teaching. No observations. No targets. No marking. Highly engaged learners on a one to one basis.

We will work with you to build your tutoring hours to the level you want.
