Online Computer Science Tutor

Description

Q1. Are you interested in working as a **Home-Based Online Computer Science Tutor?**

Q2. Are you a Qualified Teacher?

Q3. Can you teach up to GCSE level in Computer Science?

Q4. Do you have specific experience of working in a school teaching the **UK** National Curriculum for Computer Science?

A. If you can answer **yes** to all of the above, then read on as we need to hear from you today...

Principal Tutors is a multi-award winning tutoring business arranging online one to one tuition for pupils throughout the UK and internationally.

We are looking for **qualified Computer Science teachers** with an interest in working part-time flexible hours as online tutors.

You must be able to teach up to GCSE level in Computer Science and have experience doing so in UK (or International British) schools.

Qualified teachers that can also teach Maths should also apply.

DBS required in most cases, although we can assist if needed.

Immediate start for the right person.

Responsibilities

Tutors deliver personalised and high quality **one to one** tuition online. Tutors have full autonomy on how to deliver the subject content and how to best support the pupils in their case load.

Qualifications

- University Bachelor's degree required as a minimum
- Teaching qualification such as PGCE, QTS or equivalent

Job Benefits

Home-based online tutoring. Part-time, flexible and on-going working hours. Set your own hours and be in control of your own teaching. No observations. No targets. No marking. Highly engaged learners on a one to one basis.

We will work with you to build your tutoring hours to the level you want.

Skills

- I.T literate
