Q4. Do you have specific experience of working in a school teaching the **UK National Curriculum for maths?**

A. If you can answer **yes** to all of the above, then read on as we need to hear from you today…

Principal Tutors is a multi-award winning tutoring business arranging online one to one tuition for pupils throughout the UK and internationally.

We are looking for **qualified maths teachers** with an interest in working part-time flexible hours as online maths tutors.

You must be able to teach up to GCSE level in maths**and have experience doing so in UK (or International British) schools.**

Tutors that can also teach A-level maths should also apply.

DBS required in most cases, although we can assist if needed.

Immediate start for the right person.

Responsibilities

Tutors deliver personalised and high quality **one to one maths** tuition online. Tutors have full autonomy on how to deliver the subject content and how to best support the pupils in their case load.

Qualifications

- University Bachelor's degree required as a minimum
- Teaching qualification such as PGCE, QTS or equivalent

Job Benefits

Home-based online tutoring. Part-time, flexible and on-going working hours. Set your own hours and be in control of your own teaching. No observations. No targets. No marking. Highly engaged learners on a one to one basis.

We will work with you to build your tutoring hours to the level you want.
